

Basic Foundations of Drawing
Level One

Art is for everyone.

Everyone can enjoy or create art. Anyone who can hold a pencil can learn to draw. Taking your first steps into the world of art? Suffering from stress at work or home? Perhaps you're recently retired and still dreaming of taking pencil in hand. Does your inner artist need an outlet? A good place to start is with this four week class for beginners of instruction in the basics of drawing. In just two hours each week for four weeks you will be introduced to these key foundational elements of drawing:

- Seeing vs. Knowing
- Sketching
- Composition
- Perspective Tips
- The Illusion of Depth
- Let There Be Light and Shadow
- Drawing Blind and Upside Down (hmmm!?)
